

# Closing the Bones Facilitating Workshop

Saturday 1 June 2019, 10am-5.30pm

Shuniya Kundalini Yoga, 118 Bosworth Street, Leicester, LE3 5RD

Would you like to learn how to offer the beautiful Closing the Bones ceremony to other women?

The Closing the Bones ceremony (CtB), sometimes also known as Rebozo massage, is a deeply nurturing treatment that focuses on the abdomen and hips (with also upper body work possible), and that can include Rebozo massage techniques for the entire body (shoulders, torso, back, hips, full arms and legs).

Although it's *not only* a postnatal practice (*keep reading!*), CtB is traditionally done during the postpartum period (the 40-day "4th trimester" of pregnancy) to support women who have recently gone through the extremely opening experience of pregnancy, labour and childbirth (during which a woman allows another soul to take birth through her). It helps a woman to find her own self and centre again and allows her to be sealed back into herself. Yet, the sealing or closing can still be done decades after a woman has given birth with the same extraordinarily transformational effects. Moreover, CtB is also incredibly healing after the loss of a baby, a miscarriage, stillbirth or abortion.

*Yet*, it is not an exclusive postpartum treatment... The massage can be used to mark major times of transition in a woman's life (irrespective of whether she has given birth or not), such as young girls starting their period – most women indicate to feel tremendous relief from period pains when receiving the massage on the first few days of their menstruation – , marriage, divorce or the end of a relationship, moving home, transitioning between jobs, to mark the menopause, ... And its magic doesn't end there: it can also be used to support men, women and children who suffer from anxiety, shock, trauma, PTSD, ADD, autism, or who feel overwhelmed or over-stimulated. Anyone with a pelvis will benefit from CtB!

You can read a lot more about what Closing the Bones entails, and what treatments look like, on my webpage <http://www.shuniya-yoga.org/closing-bones-ceremony/> and on our international website of which you'll be invited to become a part: [www.closingthebonesmassage.com](http://www.closingthebonesmassage.com)

Do you feel called to use and integrate this very sacred and devotional work professionally (you might e.g. already be a birth worker, doula, midwife, massage therapist, pregnancy or postnatal yoga teacher, ...)? Or do you maybe just want to be able to offer your near and dear ones (family, friends, people in your community, ...) one of the most nourishing and soulful gifts you could gift them? You would be joining a tribe of nearly 400 women (and a few men) who are passionate about nurturing (mainly) women in this way - and we make sure to give you all the possible tools to really help you connect with that tribe and feel supported by them on your own journey as bone closer.

In this one-day workshop you will learn the first set of Closing the Bones techniques (there is a second set of more in-depth techniques, that will be taught a few weeks later in Leicester, on Saturday 22 June 2019) which will allow you to start offering this ceremony to women (and men, and children) around you. You will be certified so that you can get insurance. Participant numbers are consciously kept small so that there is plenty of time for individual attention -- the limit is 12-14 people. The workshop covers the background of the massage, the tutors' experience of giving the massage, a practical demo, practice of the massage, debrief of the experience and a group closing ceremony to finish the day.

The training fee is £120. This includes a set of handouts with very detailed instructions of the techniques (which have been explained and validated by an osteopath) and theory learnt, as well as video instructions of each part of the massage (to help you even better as you start practicing at home). Moreover, it also draws on the unique mix of traditional and scientific knowledge that is collected between us in the CtB training team. You will also get access to a very active and responsive FB-group with over 500 members on which all 3 of us trainers are very active in answering questions - it's truly a fantastic space for sharing with and learning from each other.

Also included are herbal teas and healthy snacks.

Fee includes a £45 non-refundable deposit (you do need to pay the full registration fee upon registering – if that is a problem, contact me to see if we can work something out). In the unlikely event that the course needs to be cancelled (such as sickness), all fees will be refunded. In the event of late (less than 2 weeks notice) cancellation or non-attendance at the workshop without advance warning, all fees are non-refundable. Please email me at [japjeetkaur@shuniya-yoga.org](mailto:japjeetkaur@shuniya-yoga.org) to register your spot. You'll then receive payment details.

Lunch is not included. You can bring your own lunch with you, or go out during the lunch break to pick something up in the nearby Tesco, Coop, Lidl or Aldi.

You'll also have the opportunity to purchase:

- \* Rebozo shawls (different types and prices) to use for the massage and ceremonies.
- \* essential oils and specifically formulated essential oil blends to be used for the massage
- \* wooden Rebozo-tightening sticks
- \* energy-cleansing palo santo.

This way you can easily get your 'starter kit' ready straightaway. None of these items are included in the price.

If you cannot make these dates or Leicester is not an option for you, you can always contact me to be kept informed about further dates (you can also contact the trainings page here: <http://www.shuniya-yoga.org/trainings/> for trainings in the UK and Europe), OR we can look at organising a training workshop near you. Email me in that case: [japjeetkaur@shuniya-yoga.org](mailto:japjeetkaur@shuniya-yoga.org)
